HEALTH HAZARDOUS MATERIALS DIVISION ANNUAL PERMIT FEE UPDATE FOR FISCAL YEAR 2011-12

The Department is pleased to announce that the annual permit fees for hazardous waste and hazardous materials facilities will remain the same for Fiscal Year (FY) 2011-12. This decision is based on the assessment of fees and revenue generated as a direct result of cost savings derived from the Department's endeavors to improve efficiencies of the operation, and the diligent efforts to locate and issue permits to facilities that were previously without permits.

The Department continues to explore ways to improve collections, locate unpermitted facilities, and identify operational efficiencies. At the same time, we are examining how we can enhance our efforts to assist facilities and businesses with compliance of applicable hazardous materials/waste laws and regulations.

Should you have any questions, please call me at (323) 881-6180, or your staff can contact William Jones, Chief, Health Hazardous Materials Division, at (323) 890-4042.
